

Solar loans for homeowners

Solar financing from your local community bank

Thinking of installing a solar energy system for your home? Finance your system with a solar home equity loan from Rabobank, N.A., your local community bank. As a leader in solar equipment financing in California, we can tailor a loan with affordable terms to get your photovoltaic solar system up and running.

- Fixed rate loans from \$20,000 to \$75,000
- Terms to fit your needs with no prepayment penalties
- No money down
- Get rate discounts with a Rewards Banking checking account
- Save even more with automatic payment from a Rabobank account
